TO THE COMMUNITY

Our team of 20 had an amazing day at Chequers Kitchen! Stephanie and the team made us feel comfortable and welcome throughout the day – guiding us through making our own chocolate yule logs and decorating and gift-wrapping our own Christmas cakes; before serving us a delicious home-cooked roast dinner! Would highly recommend for anyone looking for unique team-building days – we can't wait to visit again!

We have held our Christmas Party at the Chequers Kitchen for the last 3 years. Each time has been a fantastic experience! Pieter, Stephanie and the team are always very welcoming and accommodating. Our main host Pieter is brilliant. He is very funny, engages with all the team and his food is delicious. We had our whole group participating and laughing! We would 100% recommend this venue for anyone looking for an event with a twist. You have to try his Malva Pudding!!!!

THE VENUE THE COOKERY SCHOOL

Chequers Kitchen is an independent cookery school, in Deal, Kent with an attractive, fully equipped teaching kitchen alongside dining and meeting space. Converted from an historic coaching inn, Chequers Kitchen is a unique setting for team events, product launches and client entertainment. There is a licensed bar on the premises.

MORE THAN A COOKERY SCHOOL

Chequers Kitchen is more than a cookery school, it is a social enterprise too.

As a Community Interest Company, we have a social mission: to teach local people from East Kent to cook with fresh ingredients, on a tight budget so they can access a healthy diet. Our classes are supported by a range of organisations including the National Lottery Community Fund, Kent Community Foundation, BUPA UK Foundation, Port of Dover Community Fund and Heart Research UK.

We also assist people who are seeking work in catering but need support in developing their basic cooking skills and self-confidence. They learn to cook, complete a Level 2 Food Safety in Catering and receive help in creating a CV that reflects the skills learnt on the course.

Finally, we offer courses designed for young people. We inspire school children and teenagers so they enjoy cooking; we encourage them to experiment with new flavours and healthy ingredients; and, importantly, teach them a vital skill set for life. www.keen2cook.org.uk

LOCATION

The School is just two miles north of Deal town centre, adjacent to Royal Cinque Ports golf course. Deal is a 15-minute drive from the A20/A2, or a 1 hour 20-minute journey on the high-speed train from London St Pancras to Deal Station. If needed, we can suggest local accommodation: from hotels to award winning B&Bs and cottages.

A two-minute walk to the beach gives fabulous views across Sandwich Bay. Nearby are several Open standard golf courses, sailing clubs and the attractive towns of Deal and Sandwich.
